Dear Student,

This is to notify you that our accreditation board, Accrediting Bureau of Health Education Schools (ABHES) requires us to notify you of any changes to our accreditation status (Per Chapter III, Section C, Subsection 5 of the ABHES Accreditation Manual). On February 12, 2021 ABHES mailed SFAHP a *show-cause* status requiring the school to maintain a teach-out plan.

Subsection 5 – Show cause

The Commission may require an institution or program to show cause why accreditation should not be withdrawn for failure to meet eligibility criteria, comply with procedures or comply with accreditation standards. A show cause directive constitutes notification to an institution or program that absent corrective action and information by and from the institution or program, its accreditation status will be in jeopardy. Show cause orders may be issued by the Executive Committee between Commission meetings and must specify the reasons for the action, the responsive information that is required from an institution or program and the deadlines for response. An institution or program directed to show cause is provided an opportunity to appear at the next meeting of the Commission.

ABHES will not review, consider, or process substantive changes (as defined in III.B.2. of the Accreditation Manual) while the institution is under a show cause directive, unless the institution demonstrates that the substantive change is likely to resolve the show cause directive. An institution's or program's request for acceptance of the application must include justification for the change and its effect on the institution's or program's operation.

An institution or program receiving a show cause directive from the Commission must disclose this decision to all current and prospective students within seven business days of receipt.

SFAHP will continue normal school hours under the guidance of Texas Workforce Commission (TWC). SFAHP will continue to assist students towards graduation regardless of ABHES decision.

Please sign below to verify you received this notification. As always, we will continue to assist you in your program and look forward to your pending graduation.

Thank you,
